

## A-G Completion Improvement Grant Plan

Local Educational Agency (LEA) Name	Total Grant Allocation
Denair Charter Academy	\$150,000

### Plan Descriptions

A description of how the funds will be used to increase or improve services for foster youth, low-income students, and English learners to improve A-G eligibility

DCA will use the funding to develop and submit course descriptions to UC Doorways so that all students (including foster youth, low-income, and English Learners) will be eligible for an A-G completion pathway. In the meantime, DCA will also use the funds to provide foster youth, low income, and English Learners to A-G courses through Cyber High and Edmentum.

A description of the extent to which all students, including foster youth, low-income students, and English learners, will have access to A-G courses approved by the University of California.

At first, all students will have access through Cyber High and Edmentum, and then increased access through teachers once the course descriptions are approved and the teachers are fully credentialed.

The number of students who were identified for opportunities to retake A-G approved courses in which they received a “D”, “F”, or “Fail” grade in the 2020 spring semester or the 2020-21 school year and a description of the method used to offer the opportunity retake courses.

Number of Students: 11

These students had the opportunity to retake A-G approved courses through Cyber High.

A description of how the plan and described services, and associated expenditures, if applicable, supplement services in the Local Control and Accountability Plan and Learning Recovery Plan.

DCA set-aside \$1,500 as meeting supplies to help develop district-wide curriculum and assessment maps. Having approved A-G course descriptions in the future would support this goal, but no money has been set-aside to do so yet. A-G Grant Funds will be used to supplement these services in that way.

### Plan Expenditures

Programs and services to increase or improve A-G completion	Planned Expenditures

Programs and services to increase or improve A-G completion	Planned Expenditures
Edmentum online courses that include A-G approve labs not currently utilizing at DCA	48,000
Staff collaboration and extra duty time to write well-developed A-G course descriptions and submit them to UC Doorways, including lead teacher stipends and additional tutoring for students on the A-G path	22,000
Additional staff development to support credential authorizations needed to teach A-G courses	80,000
