Principal's Message

We are proud of Denair Elementary Charter Academy (DECA) and welcome this opportunity to tell you more about us. We have an ongoing tradition of providing a unique small-school environment. This small-school environment allows us to address the needs of all students on a personal basis and really brings personalized education to life. Our stakeholders work together to ensure a positive experience and educational success for all students. The staff at DECA strives to meet each child's unique needs and provide every student with a rich, positive educational environment.

We currently offer two programs within our school. Students can enroll in our traditional program and receive Spanish as a world language one to three days per week to learn Spanish skills to prepare them for our global society. Students can enroll in our dual language immersion program and receive a majority of their instruction in Spanish with the goal of becoming bilingual, biliterate and multicultural. All DECA students participate in Academic Adventures, an elective program that introduces students to technology, art, drama, geography, STEM/STEAM, music, nutrition, etc.

We promote and implement Positive Behavioral Interventions and Supports (PBIS). PBIS is an evidence-based framework for developing positive behavior in order to create a positive climate for learning. We also have a college-bound initiative on campus. We believe it is our responsibility to prepare students to be college and career ready.

We encourage you to join our DECA family! #DECAproud!

School Mission Statement

The mission/ vision...Denair Elementary Charter Academy is dedicated to providing an equitable, innovative and engaging learning environment for all students with a multicultural and multilingual emphasis. We are a community that fosters positive relationships by promoting the growth of the whole student.

Parental Involvement

Parents and community members are an essential part of our school. DECA encourages and believes that parent and community involvement is crucial to ensure student achievement. Our parents, community and staff work together in a number of settings, including classroom volunteers, field trip chaperones, open house, back-to-school night, Advisory Committee, Local Control and Accountability Plan (LCAP) meetings, parent-teacher conferences, DECA Parents Club (DECA PC), community events and many more ways. We encourage any parents or community members who want to become involved to contact the school at (209) 632-8887.

"I am a DECA coyote, so I keep in mind... I am safe, responsible, respectful and kind. Go DECA!"

Enrollment by Student Group

The total enrollment at the school was 579 students for the 2019-20 school year. The pie chart displays the percentage of students enrolled in each group.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Superintendent's Message

The purpose of the School Accountability Report Card (SARC) is to provide parents with information about the school's instructional programs, academic achievements, instructional materials, staff and facilities.

We recognize that parents and the community play a very important role in the school. Understanding the school's educational program, student achievement levels, and curriculum can assist both the school and the community in ongoing improvement.

We have made a commitment to provide the best educational experience possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring Denair schools offer a safe and welcoming environment, where students are actively engaged in their own learning as well as developing positive values.

District Mission Statement

Denair Unified School District empowers tomorrow's leaders through exemplary instruction and powerful innovative programs. Our exceptional school environments are the best educational choice for all students.

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates. The 2019-20 suspension and expulsion rate data are not comparable to prior year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to prior years. Note: Students are only counted one time, regardless of the number of suspensions.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Assessment of Student Performance and Progress (CAASPP)

For the 2019–20 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3–8 and 11 and science in grades 5, 8 and high school. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3–8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

Denair Unified School District held a public hearing on September 10, 2020, and determined each school within the district had sufficient and good quality textbooks or instructional materials pursuant to the Williams Settlement. All students, including special education and English learner students, are provided their own individual textbooks in core subjects for use in the classroom and to take home to complete required homework assignments.

The district follows the State Board of Education’s adoption cycles for core content materials. English language arts and mathematics textbooks and instructional materials used within the district are aligned with the California Content Standards and Frameworks and have been selected from the state’s most recent list of standards-based materials. We are currently examining science textbooks/curriculum in the 2020-21 school year.

All Denair USD schools follow the district’s textbook-adoption process and integrate appropriate supplemental instructional materials when necessary. The schools also provide additional alternative materials to meet the needs of students in the homeschooling process.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

School Safety

The safety of students and staff is a primary concern at Denair Elementary Charter Academy. The school is always in compliance with laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The school’s disaster-preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire or disaster drills are conducted on a monthly basis throughout the school year. Administrators, the campus supervisor and assigned staff monitor school grounds before, during, and after school. All visitors must sign in at the main office before entering the campus, wear a visitor’s badge while on school grounds and sign out upon leaving.

The Comprehensive School Safety Plan was developed by the administration in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment.

Components of the Comprehensive School Safety Plan include child-abuse reporting procedures, procedures for teacher notification of dangerous pupils, disaster-response procedures, procedures for safely entering and exiting the school, the sexual-harassment policy, suspension and expulsion policies and the dress code. An updated copy of the plan is available to the public at the school office. The plan was last reviewed, updated and discussed with school staff in March 2021.

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

School Facilities

Our school includes 34 classrooms, a library, staff lounge, Language Lab, Intervention Lab, three playgrounds, cafeteria, gymnasium, two computer labs and an office.

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Custodians and groundskeepers ensure all classrooms and facilities are kept up.

District maintenance staff ensures that the repairs necessary to keep the school in good working order are completed in a timely manner. A work-order process is used to ensure efficient service so that emergency repairs are given the highest priority.

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Financial Data

The financial data displayed in this SARC is from the 2018-19 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.
